

Section V — Reactivity Data

Stability	Unstable		Conditions to Avoid
	Stable	XX	N/A

Incompatibility (*Materials to Avoid*)

Avoid contact with reactive metals, strong alkalis, cyanides, sulfides and carbides.

Hazardous Decomposition or Byproducts

Sulfur dioxide, Hydrogen chloride and Oxides of nitrogen.

Hazardous Polymerization	May Occur		Conditions to Avoid
	Will Not Occur	XX	N/A

Section VI — Health Hazard Data

Route(s) of Entry: Inhalation? Skin? Ingestion? Yes Yes Yes

Health Hazards (*Acute and Chronic*)

Dizziness, fatigability, difficulty breathing

Carcinogenicity: NTP? IARC Monographs? OSHA Regulated?

Signs and Symptoms of Exposure

Severe eye, skin and respiratory tract irritation.

Medical Conditions

Generally Aggravated by Exposure Unknown to the best of our knowledge

Emergency and First Aid Procedures

Eyes - Flush with plenty of water, get medical attention.

Skin - Flush with plenty of water, get medical attention. Inhalation - Cathasis -

Administer oxygen, give vitamine c.b complex. Ingestion - May Be Fatal. GET MEDICAL ATTENTION

Section VII — Precautions for Safe Handling and Use

Steps to Be Taken in Case Material Is Released or Spilled

Observe precautionary information from other sections. Absorb with absorbant material.

Dilute with water & collect in containers.

Waste Disposal Method

Dispose of according to Federal, State and Local regulations.

Precautions to Be Taken in Handling and Storing

Keep from contact with clothing and other combustable materials

Do not wet in eyes, on skin or clothing. Wash after handling. Avoid breathing mist solutions

Other Precautions

For industrial use only. Use in well ventilted areas with sufficient air movement, air

borne concentration levels at recognized health and safety levels. Do not store near

combustable materials. Store in tightly closed containers.

Section VIII — Control MeasuresRespiratory Protection (*Specify Type*)

Air supplied mask in confined areas.

Ventilation	Local Exhaust	Special
	Mechanical (<i>General</i>)	Other
	Preferable	
	Acceptable	

Protective Gloves Rubber Gloves Eye Protection Face shield

Other Protective Clothing or Equipment

Protective clothing, impervious apron, Eye bath and Safety shower.

Work/Hygienic Practices
